## Anaon

---

Its obvious that you are well funded, but your criticisms are misplaced.

We Muslims, no matter which branch know that we are hated, and reviled throughout the world by MOST, but not all non-Muslims, and that's due mostly to them having pre-conceived ideas about Islam. Ideas that they get form TV, Radio or even websites like yours!

You Muslims are not hated. It is the cult that you embrace that is hated. The reason would become clear to you if you read the Quran and study the life of Muhammad. You'll find this man was a vile man and his teaching are nothing but hate.

The fact is I have taken a brief look at this site, just out of curiosity, and was amazed to read what you have written! For example:

You caused the Prophet Mohammed (SLAWWS) of doing something wring by marring someone who was 9 years old. The fact is, in those days, people married young! A girl was presumed to be a woman as soon as she started to menstruate. Even a hundred years ago, people were having children, and living their own lives in their early teens (in the Middle East).

You should have taken a little more time reading my site. I have answered you already in this articles.

http://www.golshan.com/rationalthinking/ayesha_moral_evaln.htm

Your accusation that Islam is an intolerant religion is plainly wrong! Other faiths took refuge from persecution in the early Muslim state, and that's documented. Your quotes from the holy Quern are taken out of context:

1. Quran 2:191 You have to know WHY the Holy Quran ordered the killing of 'kafirs' wherever they were found. It was a time of war, when great crimes were committed against the Muslims, and IF you bother to read on in the SAME verse and the NEXT one: "don't fight them in the sanctuary at Mecca until they fight you", and Verse 192: "But if they cease (fighting), then Allâh is Oft-Forgiving, Most Merciful".

If other religions used violence that does not exonerate Islam from being a violent religion. This is a very absurd reasoning. This is like a murderer trying to excuse himself by saying I am not the only one who kills people, others have done it too. Moreover no other religion has this much killing and cruelty associated with its founder (with exception of Judaism).

2. You have mentioned a lot of verses from the holy Quran relating to Surah 9, Al-Tawba. You cant take single versus out of the Quran and interpret them out of context, and then accuse Islam of treating non-Muslims harshly! The events that lead to the revelation of Chapter 9 (Al-tawba) have to be understood. At the time, the Muslims made a treaty with the non-believing tribes of Mecca (Quraish), and Quraish broke the treaty, and was gearing itself for a battle with the Muslims, thus the prophet made a pre-emptive strike at Quraish, and defeated them, before they could muster a formidable force. (if for no other reason, this makes perfect military sense, hence the instructions in chapter 9, relate to killing the enemy, not any enemy, but the one getting ready to fight a war against you!).

It is sickening to hear Muslims keep repeating like a parrot “you take verses out of context” What is the right context? The whole Quran is full of verses like these. Why you insist to keep your head under the sand? Show me one Islamic country that follows Islamic Sharia and respects the human rights. Are all of them taking the verses out of context?

The Surah Touba is the last Surah of Muhammad. The entire message there is a call to kill and murder. You say that is in war. But who starts the wars? Isn’t Jihad a war encouraged by Muhammad? All Islamic wars are initiated by Muslims. When Quran says “if they seize fighting do not kill them" that means after you attack them and they surrender do not murder them. Of course people have to defend themselves. Do you think Muhammad must receive a Noble prize for peace because he attacked innocent people subdued them, looted their properties, enslaved their wives and when they surrendered he did not kill them?

For your information he did kill his prisoners of war in Medina. He exterminated the Jews by slaughtering them even after they surrendered without fight.

The claim that anyone can produce a Sura like the ones in the Quran is ludicrous! The Quran is not just mere words, they have hidden meaning, and should not be taken at their face value. I have seen some of the ‘example’ on your site /off site.. they are laughable. Although I’m not an expert, I CAN show them to one, who will point out errors that are impossible to find in the True Quran.

Quran is a book full of errors. This book is ludicrous and was written by a mentally sick man. Stop deluding yourself and stop rehashing the same lies that you were fed without ever reading the Quran yourself.  I used to think like you until I read the Quran and saw for my own that all what I was told was LIES and nothing more. Believe me you don't have to be an Einstein to see the errors of Quran Anyone who has a little bit of intelligence and common sense will see them when he reads that book. Take a look at the humongous body of evidence in these articles and these are just the tip of the iceberg. click here

There are many examples to show that Islam was the first religion to give women their long denied rights! Remember, that in the ‘West’, its been less that 80 years since women have been allowed to vote. A few examples of women’s rights in the Quran:

Do you have any proof to this claim? No you don't. You just repeat the same lies that you heard and accepted them. But I have demonstrated that Women in Arabia had more rights before Islam that the misogynist Muhammad took away. Here is the proof.

The Quran condemns those who practised female infanticide, a common cultural practice at the time, "And when the news of (the birth of) a female (child) is brought to any of them, his face becomes dark, and he is filled with inward grief! He hides himself from the people because of the evil of that whereof he has been informed. Shall he keep her with dishonour or bury her in the earth? Certainly, evil is their decision."

Female infanticide is practiced even in villages of China today. This is considered a despicable crime and the communist government of China not only prohibits it, it also considers it a crime. One does not have to become a prophet to see that such an animalistic act is wrong. In Arabia female genocide was also practiced. But it was not common or Muhammad could not find 20 women to sleep with.  This was a rare crime and it goes against the human feeling. Every decent human being disliked it. Muhammad was not the only Arab that did not like it.

However he did not think of women highly for he criticized the Meccans for saying God has daughters while they had sons and this to Muhammad sounded as "an unfair division".  53:19-20

- An-Nahl 16:58-59.

Quran Orders men to treat women well: O You who believe! You are forbidden to inherit women against their will, and you should not treat them with harshness, that you may take away part of the Mahr (bridal-money given by the husband to his wife at time of marriage) you have given them, unless they commit open illegal sexual intercourse. And live with them honourably. If you dislike them, it may be that you dislike a thing and Allah brings through it a great deal of good." (An-Nisa 4:19).

Read the following verses. Is this treating women well? Do you know that if you treat your woman as Quran tells you to treat her in any civilized country you will go to jail?

**Women**

2:223  **Your women are a tilth for you** (to cultivate) so go to your tilth as ye will, and send (good deeds) before you for your souls, and fear Allah, and know that ye will (one day) meet Him. Give glad tidings to believers, (O Muhammad)

2:228, And women shall have rights similar to the rights against them, according to what is equitable; but **men have a degree (of advantage) over them**

2:230, So **if a husband divorces his wife (irrevocably), He cannot, after that, re-marry her** until after she has married **another husband and** He has divorced her

2:282, and get two witnesses, out of your own men, and if there are not two men, then a man and two women, such as ye choose, for witnesses, **so that if one of them errs, the other can remind her.**

4:3, Marry women of your choice, **Two or three or four;** but if ye fear that ye shall not be able to deal justly (with them), then only one, **or (a captive) that your right hands possess**, that will be more suitable, to prevent you from doing injustice.

4:11-12, Allah (thus) directs you as regards your Children's (Inheritance): **to the male, a portion equal to that of two females:**

4:34, **Men are in charge of women**, because Allah hath made the one of them to excel the other, and because they spend of their property (for the support of women). So good women are the obedient, guarding in secret that which Allah hath guarded. As for those from whom ye fear rebellion, admonish them and banish them to beds apart, **and scourge them**. Then if they obey you, seek not a way against them. Lo! Allah is ever High, Exalted, Great.

53:27, Those who believe not in the Hereafter, name the **angels with female names**.

66:10, Allah sets forth, for an example to the Unbelievers, the wife of Noah and the wife of Lut: they were (respectively) under two of our righteous servants, but **they were false to their (husbands), and they profited nothing before Allah on their account, but were told: "Enter ye the Fire along with (others) that enter!"**

*

3. Islam considers a woman to be equal to a man as a human being and as his partner in this life. Women have been created with a soul of the same nature as man's, "O mankind! Be dutiful to your Lord, Who created you from a single person (Adam), and from him (Adam) He created his wife (Eve), and from them both He created many men and women and fear Allah through Whom you demand your mutual (rights), and (do not cut the relations of) the wombs (kinship). Surely, Allah is Ever and All- Watcher over you." (Al-Nisa 4:1).

Women in Islam do not have equal rights. Period. Go and tell your lies to those who are new to Islam. Read the above verses again. Men excel over women. They can beat the women. Women's testimony is worth half of a man. Her inheritance is half of a man. Why you insist to fool yourself? Why don't you read that damn book you believe in?

I have given a brief reply to your false statements about Islam, Its Prophet, and the Holy Quran. I am sure that my word will not make a difference to your blind hatred for Islam, I'm sure you will not even read this, or even reply, but I am doing my part. The sad fact I that you are just another sole, lost out there, too far gone to see through the fog of your ignorance and blind hatred.

My hatred for Islam is not blind. I started to hate this cult after I read the Quran and found out what a sick mind was behind it. The reason I hate Islam is because it creates beasts like Bin Laden, the Taliban, the Hezbjullahis and other terrorists. It induces normal humans to hate other humans. It tells its brainwashed followers that the unbelievers are najis (impure, filthy) and they should not take them as friends but rather fight with them, kill them and force them into conversion. This is sick and if you cannot see it is sick is because your brain is already damaged. Think if the Christians had such law against the Muslims. What would you say then? No, in Christian countries Muslims have all the freedom that the Christians have but in no Islamic country they grant the same freedom to the minorities.

Perhaps its because you love the pleasures of life and are unable to control yourself from them, like Islam teaches us, making us humans rather than animals, I don't know.

I like pleasures of life. I like happiness, peace, joy, laughter and I want to share these pleasures with all human beings. But I see poor Muslims have nothing but misery and pain. They feel guilty to be happy. They shun laughter and praise weeping. While all other nations have celebrations to make themselves happy, Muslims have memorials to make themselves sad. (This is especially true in the case of the Shiits). By depriving people from happiness and and tolling their their daily life with burdens of heavy religious rituals Muhammad wanted to control his followers. This is the way all cult leaders operate. I want to liberate my people from the bondage of this cult so they can enjoy life. So women can walk with the clothes that they like and do not suffocate themselves in heavy veils during the hot summers. So if a boy and a girl go to see a movie together they are not harassed, beaten and mistreated. So if a woman is raped she does not have to die in order to restore the honor of her family. So if man desired to drink a can of cold beer to quench his thirst no one could to stop him and beat him. So if an adult man and a woman want to live together without reading an stupid Arabic verse they are not stoned to death.

I want to make sure the private lives are private and state or society do not have the right to tell anyone how to dress, how to live, what to eat, and how to shave. I am fighting for the basic human rights of the Muslims. The right to think, and say out loud his thinking without fear.

Your lies about Islam will bring no harm to Muslims, but only harm to you, perhaps not net, or even in the distant future, but the justice of God almighty never fails, and you to will have your day.

I do not want to harm Muslims. I want to liberate them from Islam. The only harm that may befall me is from the Islamist assassins who murder those that criticize their cult. Muhammad himself assassinated a dozen of people for criticizing him and throughout the history many freethinkers and dissidents were murdered by Islamic goons. Remember the fatwa against Salman Rushdie?

But I do harm Islam with my pen. Everyday more people are reading this site and learning the hidden truth about Islam. There are many Muslims who also are seeing the truth and just

like me are abandoning this ugly cult leaving it for the least human among us -For those who like sex in paradise and for that do not mind to kill their fellow human being in the name of their god.

Like I said earlier, Muslims are hated, killed, raped and robed all over the world, another website will do us no harm. We know that we are right, and you know that too, that's why you try to misguide us, and harm us.

Look. Muslims are not raped and killed all over the world. Muslims are the ones who rape, kill, hate and rob the Christians, Hindus, Baha'is, Zoroastrians and Jews all over the world.

Who are the aggressors in Philippines, East Timor, Indonesia, Kashmir, Afghanistan, Iran, Sudan, Nigeria, Algeria and virtually every other country that there are Muslims? Aren't Muslims the main culprits and murderers in all these countries? Are all these people extremists? How is it that only Islam has so many extremists? Why you think by lying God will be pleased with you? Who is this damn Allah you worship that is pleased if you kill in his name, lie in him name, loot in his name and rape in his name? You know that you are right? This is ignorance not knowledge. Show me one person who thinks his is not right. The very fact that you say this is proof that your brain and the brain is fossilized and cannot change.

I will enjoy my life, and look forward to the day I meet my maker, you and your like will always fear death, but its an inevitability.

Whoever is your maker, it is not the hatemongering Allah that enjoys spilling blood and calls for war to impose himself. If there is a God and a reckoning, the Muslims who followed Muhammad literally and murdered innocent people to please Allah are going to be in deep trouble.

Your aims in life are petty and pathetic, you want material things, money, women, etc.. and you will have it, but that's all you will ever have. we are after something much bigger

My aims in life is to educate the ignorant masses who have fallen prey to a sick man's hallucinations and prevent them from becoming terrorist for the hope of making love to 72 houris in Paradise. For that I have relinquished my own pleasure and sit here behind this monitor and keyword to expose Islam so haply I save someone from becoming another victim of this hatemongering cult and a terrorist for Allah. What is your aim in following the doctrine of hate? Are you lusting for 72 houris and "young pearly boys" that Muhammad promised to his followers?

we have peace. The peace of mind to know that the journey of our souls starts when we die, but that spells the end for you, and your kind.

You have no peace Sir. Show me one Islamic country where there is real peace? You have nothing but war in your countries and hate in your heart. The fact that you delude yourself by thinking that you will go to paradise to get laid with 72 houris and drink wine is no proof

that you will get your heart wish. The brainwashed followers of Heaven's Gate also had faith that when they die they will go in a space ship that is traveling behind the comet Haley that would take them to  Heaven. They committed mass suicide. If they go to heaven so would you. If whatever else Muhammad said is proven to be false, how can you trust this promises of the world unseen.

I challenge you to reply to my specific points on Islam and Muslims!

Anaon.

I think I did respond to all your points. Next time please read few articles in my site before writing the same things that all other brainwashed Muslims write so mindlessly.

Regards

Ali Sina
